

# Modern Defense Tooling

Artificial intelligence as a defense platform

Ameen Altajer

## Modern Defense Tooling

*A drastic change in the modern AI landscape*

DeepMind

OpenAI

The work of both DeepMind and OpenAI is a testament of how things drastically changed

# Modern Defense Tooling

*A drastic change in the modern AI landscape*

Elastic in deployment

Better at explaining decisions

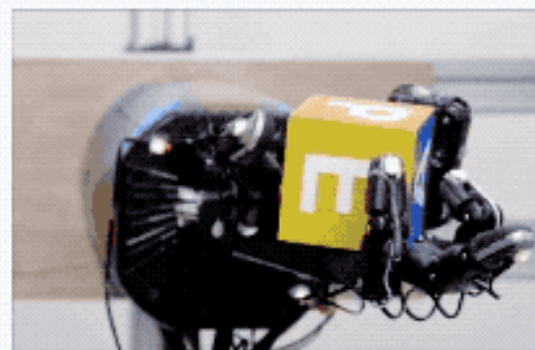

**FINGER PIVOTING**

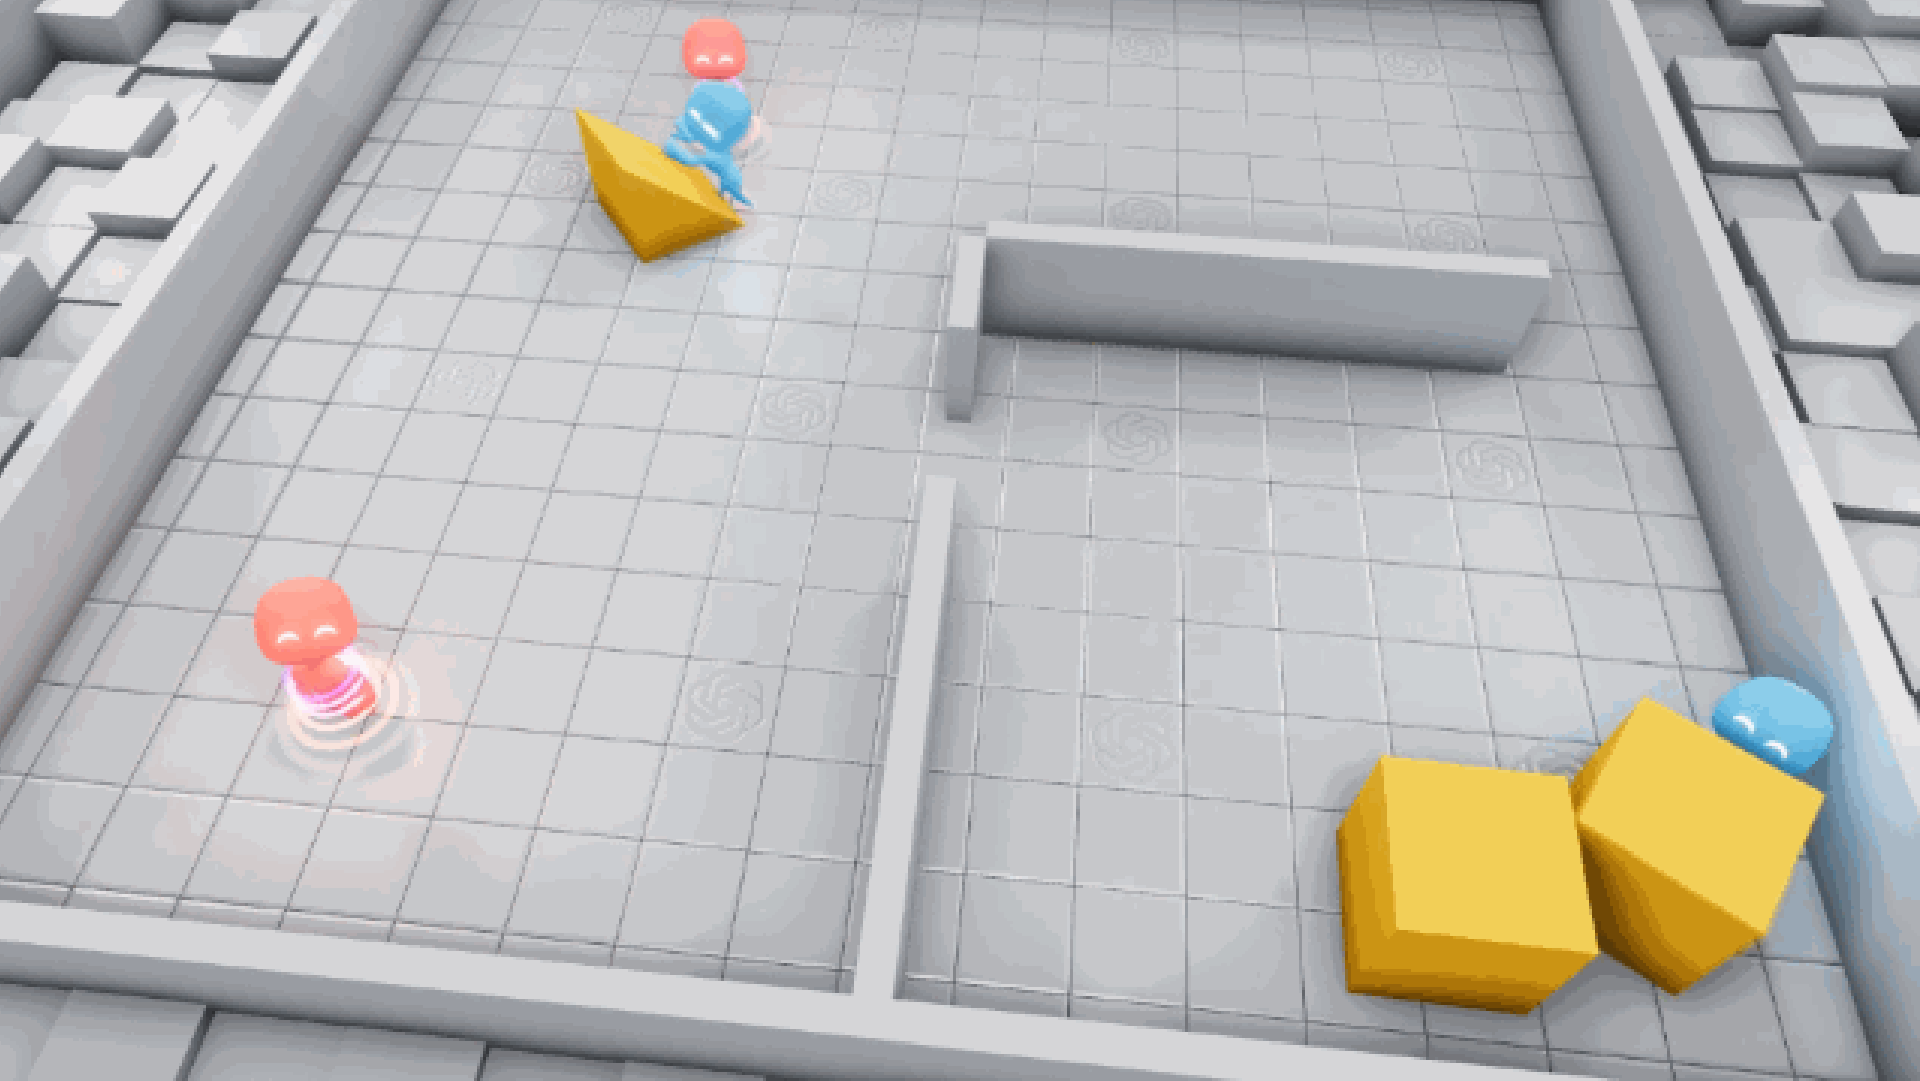

**SLIDING**

**FINGER GAITING**

OpenAI Learning Dexterity

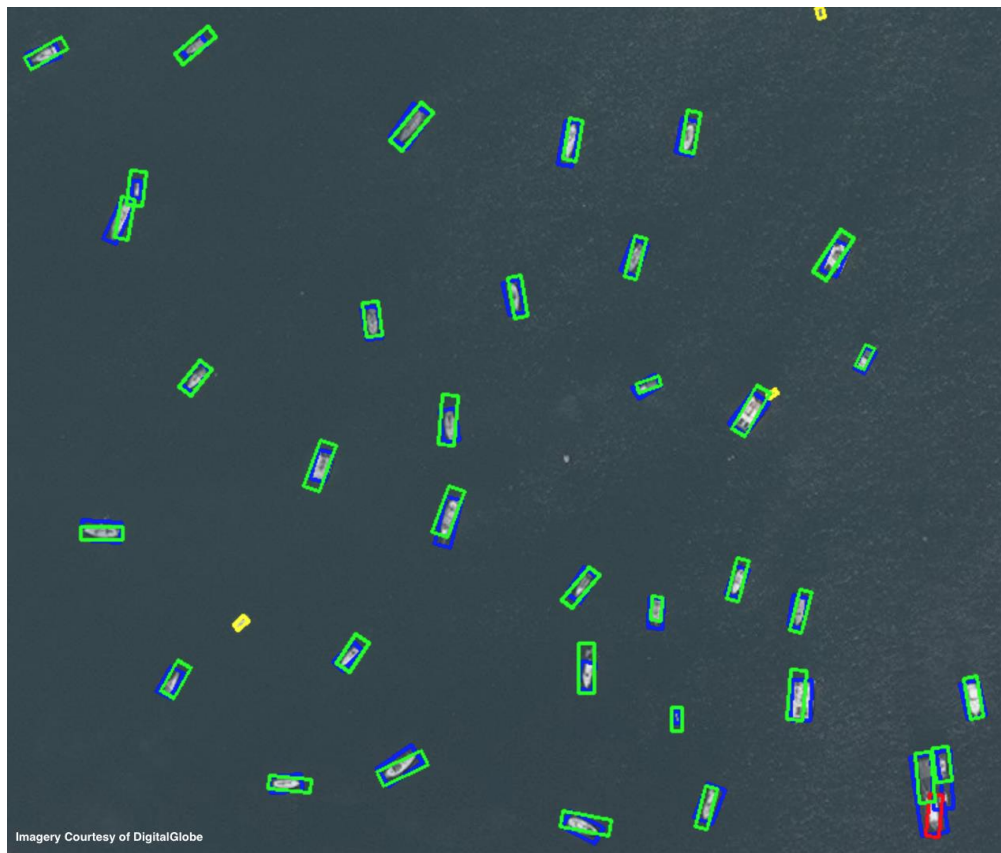

Image Detection and Recognition

Segmentation and reconnaissance

# Modern Defense Tooling

## *Complex and articulate planning*

Context comprehension, collaborative and autonomous improvisation

Psyche analysis and emotional regulation

Predicative maintenance and Industry 4.0
